The homosexual life style is not normal in any way; rather than being freeing it leads to a life of demonic bondage and fear and confusion. With the lustful WAR cry from the Gay community history is about to repeat once again.

The following is the story of Lot found in Genesis and a similar passage found in Judge's show the Homosexual demons out of control. This happened just before God's judgment, and this is both history and a warning in 2007, 2010 and beyond. The spirit is that of Lasciviousness… the meaning is… undisciplined and unrestrained behavior, especially a flagrant disregard of sexual restraints as seen (Mark 7:22; or in Cor. 12:21 Gal 5 v 19, Eph 4 v 18 lasciviousness, KJV).

The Greek word translated as licentiousness means… outrageous conduct… showing a disregard for what is right. The first instance of this was the night before the destruction of Sodom and Gomorrah. The men of the city tried to have homosexual relations with the Angels of God. Knowing God's stand on this; and having a personal relationship with GOD, Lot even offered his virgin daughters, but to no avail.

Lot did not say the rape of his daughters was okay; but that normal male/female sex was more normal than what they desired. I think Lot also believed the men would come to their senses, by abandoning their plans and showing honor to his daughter's virginity.

Lot was dealing with men spurred on by this same spirit of Lasciviousness… a total disregard for sexual restraints as given by God.

Here is the biblical account of Lot...

But before they lay down, the men of the city, even the men of Sodom, compassed the house round, both old and young, all the people from every quarter. 5 And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them, 6 And Lot went out at the door unto them, and shut the door after him, 7 And said, I pray you, brethren, do not so wickedly. 8 Behold now, I have two daughters which have not known man; let me, I pray you, bring them out unto you, and do ye to them as is good in your eyes: only unto these men do nothing; for therefore came they under the shadow of my roof. 9 And they said, Stand back. And they said again, This one fellow came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door. 10 But the men put forth their hand, and pulled Lot into the house to them, and shut to the door. 11 And they smote the men that were at the door of the house with blindness, both small and great: so that they wearied themselves to find the door. Genesis 19 v 4-11

These same homosexual men, and boys, were so demon possessed that even when blind they still tried to find this door.

Many times in scripture, the word for debased (demonic) behavior such as this is Belial or sons of Belial. In the scriptures this word means worthlessness, or recklessness, lawlessness, you get the point.

A man by the name of ELI had two Sons' like this. Now the sons of Eli were sons of Belial; they knew not the LORD. These men were at the very center of all religious activity, at the temple in (Shiloh), but they knew not God a very sad conclusion. Many ministers are running around trumping the SAME-SEX because today in 2007 but they are just like the sons of Belial they know not the Lord, but they will one day.

They will one day meet the God of all Heaven and Earth, and will tremble for what they have done. Here is a word of caution to the Homosexual Men and Woman who use the word of God for a defense of their actions. STOP!

The next example that we see of mass depravity is from the book of Judge's 19 v 21-25 and parallels very closely to the Lot account. Now as they were making their hearts merry, behold, the men of the city, certain sons of Belial, beset the house round about, and beat at the door, and spake to the master of the house, the old man, saying, Bring forth the man that came into thine house, that we may know him. 23 And the man, the master of the house, went out unto them, and said unto them, Nay, my brethren, nay, I pray you, do not so wickedly: seeing that this man is come into mine house, do not this folly. 24 Behold, here is my daughter a maiden, and his concubine; them I will bring out now, and humble ye them, and do with them what seemeth good unto you: but unto this man do not so vile a thing.
25 But the men would not hearken to him: so the man took his concubine, and brought her forth unto them; and they knew her, and abused her all the night until the morning: and when the day began to spring, they let her go.

This woman was so abused that she later died from what the men did. In both stories Godly men were so afraid that they thought that it was better to give woman for the natural course of sexuality as God intended than to do not so wickedly, (demons of homosexuality and Lasciviousness unhealthy lust for sex spurred on by Belial or Satan.) The relationship of sex between men is attributed to (Son’s of Belial) or Son of Satan, because this is his trademark.

Homosexual Activity and Aids, Does the Bible have the answer?

I believe the short answer is "Yes" men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet. Roman’s 1 v 27

I want you to keep this word recompense in you thoughts as we journey along. What this means is wages for your actions. Look at the words receiving in them that recompense God is going to repay you in your bodily health for what you have set in motion. Some will repent but the hardened homosexual God will deal with as he did Pharaoh.

You have to understand that God is the author of sex; he has created our bodies to respond to the sexual act taste and smells for both male and female. Men and Woman designed to be the greatest toy for one another. To understand where man is this year 2007, and beyond you must read the first chapter of Roman’s; bearing in mind this one word (reprobate). Humanity is corporately falling further into a reprobate state of mind.

There is a Pagan religious push to have this section of scripture (Romans) considered hate literature. Homosexuality is now a Human Rights Issue governed by the UN. When we know as Christians that this is not a Human rights issue but moral issue that’s despised by God and considered an abomination.

You need to read what God says before it is too late. There should also be the disclaimer (in my opinion) to this section. I have by no means done an exhaustive search about the Aids virus at this time, but I may in the future. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. John 16 v 13

Here is where the spirit of truth has guided me on this issue.

Let us look back to where aids may have originated. Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion Lev 18 v 23. A quick Google search 2008 showed 3,670,000 hits on this subject. The same search in 2010 revealed 11,300,000. A search in 2013 showed 2,950,000 which caused a little confusion. Not believing that figure I knew I had to search another way. A search “sex with animals” brought up 567,000,000 hits.

Here we see the God of Heaven and Earth is speaking about what’s called, (bestiality) sex with animals. God knows both the past and the future (omniscience: all knowing), and here we see the warning is more defined because this is more popular with woman than with men. God has shown that this practice is only going to increase, as men and woman get increasingly vile!

As Hollywood has done every show you can think of, they will start to rev up the beastiality train and woman will give birth to super beings as they mate with animal like Demon Gods. Long Gone is the female tenderness that God has created in woman.

In addition, yet, another key-verse from the bible, and a possible reason for blood born viruses such as Hiv-aids. In this verse in Leviticus, God warns not to have sex with animals. In keeping with how GOD deals with sin, the blood for those that do this is upon their own head.
Concerning blood or blood disease *For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul." Leviticus 17 v 11

In this series of passage’s God also warns not to drink blood, or use for ceremonial purposes. *For it is the life of all flesh; the blood of it is for the life thereof: therefore I said unto the children of Israel, Ye shall eat the blood of no manner of flesh: for the life of all flesh is the blood thereof: whosoever eateth it shall be cut off.* Leviticus 17 v 14

*And almost all things are by the law purged with blood; and without shedding of blood is no remission.* Hebrews 9 v 22

Scanning the Internet and while looking at the horrible disease of AIDS. It is now generally accepted on most aids sites that HIV is a direct descendant of a monkey virus that is known as Simian Immunodeficiency Virus. Certain, strains of SIVs bear a very close resemblance to HIV-1 and HIV-2, the two most listed, type’s...HIV. In all the research I did, this was the (GROUND ZERO). In, the many websites, that I checked, it seemed that this very same virus (SIV), did not cause AIDS in monkeys but did in humans...but why? Evolutionist, Scientist and all Researchers opposed to GOD state that we descended from APE, and have the closest DNA relation to…Ape’s.

Looking on many AIDS sites one research center really caught my eye as they studied (599 POOP DROPS) from Monkeys. Those early researchers were able to obtain 34 positive specimens that reacted to a standard HIV DNA test. One third gave results that were virtually indistinguishable from the reactions created by human...HIV. This is again not so much of a, surprise, because...again...it has long been stated as scientific fact, by those much smarter and wiser than I. Chimps are 98% genetically similar to humans. It would seem that their findings did uphold this fact then.

Looking at the above information, and accepting it as credible. It should then also be reasonable to conclude (same species-same results). When following this idea stream even further, most experts then believe that it was when hunting other smaller monkeys that the disease first spread among the larger ...monkey’s. HIV-2 for example corresponds to SIVsm, a strain of the Simian Immunodeficiency Virus found in the sooty mangabey. Sooty mangabey, are also known, as the green monkey, which is from western Africa. When, these, smaller monkeys, were hunted as food by both man, and beast, then blood was transferred as did the virus,

but the “spirit of truth” revealed to me a much deeper truth.

Another train of thought that I discovered while researching, was the use of monkey blood as an aphrodisiac in sexual practices. In places where an aphrodisiac is necessary, it is because the normal sexual practice just, is not, good enough and needs help. Blood has been, is now, and always, will be, used, in demonic awakenings across the globe. I believe that this was also for voodoo ritualism involving the use of sacrificial animal blood. Voodoo practices and all types of sexual rituals are from the Devil, and the Devil always tries to steal or replicate what is due God. When HIV-aids first came to the attention of North America, it was widely believed that a man having anal sex with the Green Monkey, and that is where HIV-AIDS first, came, into contact with humans. Because of the nature of the birth of this disease, and the way it spreads, it was obviously in a homosexual manner...involving Ape’s

As when I study anything that God has asked me to, I also ask the comforter, the spirit of truth...to guide me. I certainly did not study everything to do with HIV-AIDS but one key point came up many times, and on many sites. Remember yet once again that although the HIV virus in man and the SIV in monkeys, is basically the same virus, and given the fact that man evolved from Monkey (theory of evolution, 98% DNA match). In all the research that I did, the virus did not lead to aids in Monkeys or any other animal. I guess the conclusion is that when Monkeys act in this way, they are only animals, but when man acts like this, it is known as “freedom of choice”. With that, choice, they then choose to act in a homosexual nature with a side of beastiality etc, and there is a huge cost.

Although the HIV virus in man and the SIV in monkeys, are basically the same virus
In all the research that I did, it did not lead to AIDS in Monkeys or any other animal

Here is what I believe that the Lord has shown, and gleaned from the studies that I have undertaken, I know of no other animal that has a redemptive spirit. God has put within us a desire to serve God. Even those who claim Paganism and Witchcraft and who hate the God of Israel and the Bible...have chosen their God Satan. I believe the simple answer to this of course is that, Monkeys, or other animals, just can't read God's Word, and so they naturally obey God's laws...as per his design. 

*Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness: Mark 7 v 22* We will see that all these vile things come from the heart of man, and that is every man on the face of the earth, without exception, and the catalyst is man's...free will...to act in this way or not.

Yet another key-note point as mentioned above that came across loud and clear many times was that monkey blood, or the blood of other animals, was used in ritual sacrifices such as (VOODOO) in both Cameroon (West Africa), and in Haiti. The country of, Haiti, has long been recognized, as the (VOODOO) capital...by most internet sources.

Coincidently these two countries (Haiti/Cameroon) were, also most mentioned most, as outbreak (zero) in the known AIDS path. One fact that I pointed out much, earlier, needs to be, brought, to the forefront once more. GOD is...Omniscience...that is all knowing.

The aids virus does have a Ground Zero. God knows the very individual that was first infected with the Aids virus. As a further matter of, fact, he also knows the very thought, and subsequent decision that caused him to act. God has put within all men the knowledge to make the right, choice; he knows what went through his head at the time...and just what choice he made. For that matter, when he crossed the line between moral and immoral. As I followed the origin of the Aid’s path, I hear people all the time voice the following. God is Love he would not do that!

Just as with the men that tried to sodomize the angels in Gomorrah the demonic spirits of Lasciviousness (disregard of sexual restraint) overcame these voodoo dancers and they became debased in their sexual desires. There is no doubt that these, demon, possessed men, would then have homosexual (anal sex) with both men and beast, as they were under this demonic control. In a frenzied orgy of demonic activity these men would even have sex with the dead animals they had sacrificed.

Make no bones about it, all forms of Pagan cultic, activity, practice ritual sex…of some form. The same sex issue's all over the world at present (2007) is not about same sex marriage as God institutes marriage, but about the same acts of ritualized sex found since man first drew breath. From the bushes of Africa to the beds of North America, homosexual men and woman are worshipping Satan. You who practice Gay Rights are confirming Satan's, rights, as you sacrifice your body to God’s and Goddesses of fornication.

You are under the authority of God's laws even if you do not believe those laws. *Thou shalt have no other gods before me. 4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: 5Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; 6And shewing mercy unto thousands of them that love me, and keep my commandments. Exodus 20*

Speaking of God’s Law’s. like that of Gravity, lets finish the Ramp Story, and highlight why it is that man will not escape God’s Laws. Remember earlier when we examined God’s Laws about nature. I told you about a Husband and wife, that were about to launch a boat. They had just purchased a beautiful Grady White Boat, gleaming white in color, and they were pulling it with their fancy new truck. They pulled to the top of the ramp, and turned around to, prepare, to back down the ramp. All lined up to back the boat into the water, the husband hollered to the wife. Take the winch line off the nose ring, he said. I told him that I did not think that was a good idea. He told me to mind my own business. The boat ramp is very steep, and you must use your brakes. The wife settled in behind the boat and
trailer, so that she could direct her husband down the ramp. He started to reverse down the ramp, and about half way spiked his brakes to slow the decent.

Some of you reading this think, I am cracked. Some of you reading this, started to laugh, at the beginning of the paragraph. Some of you have no clue of what I am, up to. Many of you would have thought, new boat, new trailer, steep ramp, arrogant man…conclusion…Lady, you had better move. If you were in the last, group, you discerned it all. That day I watched a boat worth in excess of $100,000 US dollars as it rocketed off the trailer. It then took two hops and landed, on the expensive motor that had also, been placed in the wrong position for launch. The boat owner with his boat now clear of both the truck, and boat trailer, drove off and left his wife and boat behind.

God’s Law that was broken here was the Law of Gravity…and somewhat the Law of Friction. If this trailer was old and rusty, the boat owner might have not suffered this great loss. The point to remember by this is that;

**God will judge all individuals…based on that individual knowledge!**

That, is the same way God will judge sin, the more that you know that you are sinning, the more accountable you are. Some people have always held to the idea that they can all gather in a combined group when standing before God…on judgment day.

In the passage above God says he visits the iniquity of the fathers to the third and forth generation. The AIDS epidemic first started in the Homosexual men and then spread to others. One thing was quite sure as I further studied the spread of the disease. ANAL SEX was the highest mode of spreading the disease. When the disease first spread to African woman, it was through anal intercourse that it spread the fastest. Examine that verse below from Romans (1) and we will see that ANAL is not the natural way between man and woman! God has designed sex to be between a man and a woman, and not only did he design it he made it for our enjoyment. Since that very, day, man has tried to pervert sex in any way he can. Anal sex, was not designed by God but is a defiled type of animal sex authored by demon spirits (fallen angels)…and then on to man. The argument comes many times that the Bible does not teach about Homosexuality. In, truth, it is veiled from all who snub their nose at God. Actually, it is well-veiled right in plain site. Men that try to justify sin…using God’s pure divine word…will never find truth. And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet Romans 1 v 27

**Key-note**

22Thou shalt not lie with mankind, as with womankind; it is abomination. Lev 18 v 22 All sites (Gay friendly) that you visit will use this verse, as a base for mocking God’s word. They will bring out this definition of abomination, and then justify it by the shellfish abomination, stating both have no combined meaning. If you study the Gay internet sites you will see that they have all copied and aligned, their public defense. You will see many times that Gay love will be justified, by using the biblical example of David’s love for Jonathan…Saul’s son
